Application for Karen (Jansen) Spring Healthcare Scholarship

This scholarship was established as a way to honor the life and legacy of Karen Spring. Karen dedicated her life to the nursing field caring for the well-being of others. This scholarship is following that same format in helping future QND students receive a holistic faith based secondary education.

This scholarship is for a graduating senior going into the healthcare field. This scholarship is open to any aspect of healthcare, not just nursing.

This award is given to a student to be used for tuition cost at the college they will be attending.
