PRAYERS

Memorare

Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to your protection, implored your help, or sought your intercession was left unaided. Inspired with this confidence, I fly to you, O Virgin of Virgins, my Mother. To you I come, before you I stand, sinful and sorrowful. O Mother of the Word Incarnate, despise not my petitions, but in your mercy, hear and answer me. Amen

Hail Mary

Hail Mary full of grace, the Lord is with thee, blessed art thou among women and blessed is the fruit of thy womb Jesus, Holy Mary Mother of God pray for us sinners, now and at the hour of our death, Amen.

Our Father

Our Father who art in Heaven, hallowed be thy name, thy kingdom come, thy will be done, on earth as it is in heaven. Give us this day our daily bread and forgive us our trespasses as we forgive those who trespass against us, and lead us not into temptation, but deliver us from evil. Amen.

Glory Be

Glory be to the Father, and to the Son, and to the Holy Spirit. As it was in the beginning, is now, and ever shall be, world without end. Amen

MISSION AND PHILOSOPHY

MISSION STATEMENT

Founded on Catholic values, Quincy Notre Dame High School educates lifelong learners for lives of service.

STATEMENTS OF PHILOSOPHY

The Board of Directors, the Administration, and the Faculty welcome you. We hope that your secondary education will be successful and memorable, and that you will be conscious of the traditions and requirements of Catholic secondary education in Quincy. Your experience at Quincy Notre Dame ("QND") will be whatever you make it. Let us always have the spirit to do the things which will make it outstanding.

PHILOSOPHY OF QUINCY NOTRE DAME

QND, as a Catholic co-educational school, seeks to build a community of learners among its faculty, staff, students and parents. Founded on faith in God and trust among its members, this community strives to make Catholic values an integral part of its existence. QND fosters an environment of consideration and acceptance, while challenging its members to develop their potential through strong educational and extracurricular programs. QND strives to prepare its students to assume vital Christian roles in a constantly changing world.

ACCREDITATION STATEMENT

QND is recognized by the Illinois State Board of Education and the Diocese of Springfield.

GOALS

In accordance with the teaching mission of the Church, QND endeavors to promote spiritual strength, academic excellence, social and leisure skills, and responsible citizenship in a Catholic Christian atmosphere.

Religion classes are required of all students in order to reinforce knowledge of Catholic doctrine and worship. Campus Ministry and the QND community provide religious experiences and encourage the development of Christian ideals, attitudes, values, commitment and service.

The competent, dedicated faculty of QND assists students to achieve academic success commensurate with their abilities and challenges them to develop their talents, recognize their limitations, think constructively and reason independently.

QND provides opportunities in class and school activities for interaction between students and adults. A variety of intellectual, physical and aesthetic extra-curricular activities enables students to develop career awareness and to enhance social and leisure skills for current and future life.

This Christian academic environment at QND fosters respect for the American heritage, awareness of the responsibilities and privileges of citizenship, and an understanding of the individual's role in promoting a just society both locally and globally.

ADMINISTRATION

The Principal, Academic Dean of Curriculum & Instruction, and Dean of Students/Athletic Director are responsible for the administration of the school. They in turn are responsible to the Board of Directors.

Principal - As educational leader in the school, the Principal assumes a four-part role: administrating, supporting, coordinating and initiating. The Principal, with the help of the Board of Directors, fellow administrators and faculty, establishes all school policy in academic, athletic, extra-curricular and other related areas. The Principal facilitates communication between the school and the public, students, faculty, staff, parents and community. In addition, the Principal supervises instruction, staff, finances, cafeteria and health services. The Principal is responsible for hiring and dismissal of faculty and staff with concurrence of the Board of Directors.

Academic Dean of Curriculum and Instruction - The Academic Dean of Curriculum and Instruction promotes academic excellence by providing professional development and support to ensure the continuity of the instructional program. The Academic Dean directs the development, assessment, and revision of curriculum based on state, local and diocesan standards, directs and implements collection and analysis of data to promote student progress and achievement. Additionally, the Academic Dean guides the school through state evaluations and the accreditation process as well as other assessment and evaluation processes.

Athletic Director/Dean of Students - The Director of Athletics is responsible for the planning, supervision, and management of activities, committees and projects aimed at building the best all school athletic program possible at QND. Duties include athletic duties,

fundraising and public relations. This person functions as a member of the Administrative Team and is directly responsible to the Administration. As Dean of Students, the Athletic Director is responsible for discipline for all students.

If the information gathered indicates that QND does not have the educational program which best serves the needs of the student, the student will not be accepted.

QND accepts students of other faiths for admission. However, if enrollment is close to capacity, QND will give preference to Catholic students registered in an area-wide Catholic parish. ATTENDANCE

QUINCY NOTRE DAME ABSENTEEISM AND TRUANCY POLICY

Daily attendance at school by each student is required; it is essential to the student's ability to learn and the overall quality of education received. School attendance is also important to future employers and college admissions officers who use attendance records as a means of determining an applicant's dependability and good citizenship.

Students enrolled in regular classes are expected to be in their first period class before the 7:45am bell, and to each class period before the period bell rings. Students are expected to remain in each class until dismissed. Final dismissal each day is 2:15pm. If students are following an adapted schedule (VO-TEC, early dismissal, college courses), they are expected to follow the given schedule and be on time for all courses.

Quincy Notre Dame's daily schedule and calendar meets State and Diocesan requirements for required minutes of instruction per the Illinois School Code.

Each student is allowed 10 excused absences per school year per valid cause as listed below:

- A. Illness, including the mental or behavioral health of the student;
- B. Observance of a religious holiday;
- C. Death in the immediate family or family emergency;
- D. Other situations beyond the control of the student, as determined by the school's administration;
- E. Such circumstances that cause reasonable concern to the parent/guardian for the mental, emotional, or physical health or safety of the student.

Remediation Plan

Any absence after the 10 allotted excused absences will be considered unexcused unless a medical statement by a physician is submitted upon the student's return. Any student who has used the allotted 10 absences will be considered unexcused without a doctor's note, and therefore, truant.

- A. When a student reaches this point, a meeting will be convened with the parent(s)/guardian(s) and administration to determine the reason(s) for the excessive absences. Depending on the circumstances, the student may or may not be included in the meeting as deemed appropriate.

- B. The administrative team and/or parent(s) and guardian(s) may choose to have other participants in the meeting including teachers, guidance counselor, coach, etc.

At this time, students and their families will be made aware of the resources available to them to ensure timely and consistent school attendance as part of the process to remediate the issue. Those resources include:

- A. Conferences with administration and teachers on a weekly basis for a specified period of time
- B. Establishing and implementing a daily check-in/check-out system
- C. Providing the family with access to counseling services within the community (Catholic Charities)

The administrative team will meet monthly to review attendance data generated by our FACTS Student Information System with an emphasis on students who have demonstrated attendance deficiencies.

ADDITIONAL ATTENDANCE INFORMATION

- A. **Reporting an Absence:** If a student is absent from school, the parents are expected to telephone the office (223-2479) before 9:00 a.m. and explain the reason for the absence. Communication to report an absence must be made by a parent or guardian. If parents do not call, they will be contacted at home or at their place of business. If a parent should be out of town, he/she should notify the school in advance about a temporary guardian. Absence from school due to illness should mean absence from after school activities. If a student has been absent for an entire day, that student is not to attend dances, athletic contests or other after school activities that same day.
- B. **Absence of Less Than a Full Day:** A student who leaves school ill during the school day will be marked absent for each period missed. Parent permission is necessary before the student may leave. Also, if a student leaves school because of illness, he/she will not be allowed to participate in extracurricular activities that day or night.
- C. **Defining an absence from class:** An absence, different than a tardy, is recorded when a student misses 50% or more of a class period.
- D. **Excessive Absenteeism:** If a student is absent ten (10) or more periods per class per semester, the student could receive an academic penalty. School sponsored activities which take place during the school day will not count toward the ten 10 absences per period limit. If the student is absent because of a prolonged illness or extraordinary circumstances, the administration could make a decision regarding the makeup of work for credit. A doctor's note is required after 10 absences or at the discretion of the school administration. If a student is absent for fewer than ten (10) periods, it is up to the individual teacher to assess the grade being given according to the method of determining the grade in that class. For example, if class participation is part of the grade and the student is missing from the class, then the grade would reflect this. After ten (10) absences the administration reserves the right to determine whether or not a student may attend school-sponsored activities based on his/her attendance record. School-sponsored activities include, but are not limited to, field trips, fine arts events, athletic events/contests, etc.
- E. **Attendance at Vo-Tech:** Consult the Quincy Senior High Vo-tech policy.
- F. **Excused/Unexcused Absences:** Teens Encounter Christ Retreat, illness, funerals, approved college visits, medical appointments, family emergencies/situations are excused absences. Anything else is an unexcused absence, unless approved by the administration. Communication from the parent/guardian is required in advance if a student needs to leave for a funeral, appointment, or TEC. The length of time to be gone should be specified.
 - 1. **EXCUSES:** It is recommended that scheduled appointments, as well as family vacations or personal trips, be made outside school hours. In the event that the student is to be excused for an important reason during the school day, he or she must send a written note from the parents to the Attendance Office. The student must report to the office on returning to the building. Upon returning, the student must check in at the Attendance Office.
 - 2. **FUNERALS:** If a funeral takes place during a school day, students must have written permission from their parents or a parent must call the office before school. Students are responsible for making up all work missed during excused absences from school.
- G. **Tardiness:** Being on time is a lifelong skill that will help students both now and in their future. Students should make every effort to be on time to school. Failure to arrive on time can result in disciplinary action. Tardies to first hour are accumulated by semester. Rules regarding tardiness are as follows:
 - 1. **First Period:** A student is considered tardy if he or she is not in first period by 7:45 a.m. If a student is late for school, he or she must report to the Attendance Office upon arrival. A student arriving after 10:15 a.m. would be considered ½ day absent. Note: in order to participate in a school related extracurricular activity on a day when school is in session, a student must be in school by 10:15a.m.
 - a. 1st/2nd Offense: Verbal warning from teacher
 - b. 3rd Offense: Letter home from Dean of Students
 - c. 4th-9th Offense: Phone call home from Dean of Students/1-hour detention assigned
 - d. 10th Offense: Phone call home from Dean of Students/1-day ISS. Student and his/her parent(s) will be required to attend a meeting with the Dean of Students

- e. Additional Offenses could include, but are not limited to, additional detentions, or ISS and will be handled on a case-by-case basis
- 2. Tardies in class periods 2 through 8 will be handled by the classroom teacher. The classroom teacher will set up a disciplinary code for tardiness to his/her class.
- 3. Vocational-Technical: Consult Vocational-Technical Policy
 - a. Any QND student who is late to a Vo-Tech class three times or more or is late to check-in time at QND after a Vo-Tech class will receive the same penalties as students who are tardy to QND.
 - b. Any QND student who misses a Vo-Tech class without an excused absence will receive a disciplinary action agreed upon by QHS and QND administrators.
- H. **Truancy:** Truancy is defined as leaving the campus or being absent from class/study hall/lunch without permission. In case of truancy, the student's parents are notified. The parents must communicate with the Dean of Students or administrator before the student will be readmitted to classes. Academic penalties apply. Truancy is recorded on the student's record. Additional truant situations may warrant more severe disciplinary actions.
- I. **Period Absentee Reporting:** Attendance is recorded each period by the teacher. If there is a discrepancy between the attendance recorded and the actual classroom attendance, the attendance office should be notified immediately.
- J. **Missing Assignments During Excused/Unexcused Absences** Students should work to complete missing assignments and assessments as diligently as possible when not in class due to an excused absence. It is the student's responsibility to check lesson plans and homework posted in FACTS to get assignments and turn them in as instructed. If extra time is needed due to extenuating circumstances or extended absence, the teacher and the student should collaborate as to when the assignment is due and if modifications are needed. Assessments should be completed as soon as possible per the teacher's instruction. Any academic work including, but not limited to, homework, quizzes, tests, etc. missed during an unexcused absence may incur an academic penalty.

VISITS TO COLLEGES

Seniors, juniors and parents are encouraged to be aware of the numerous college-visitation weekends as posted on bulletin boards. If it is necessary to visit a college on a QND school day, a student is granted no more than two (2) excused absences per year during their junior and senior year for this purpose. Although excused, these still count as absences on the attendance record. The following procedure is to be followed:

- A. Students need to contact teachers and the attendance office prior to each college visit.
- B. To maximize getting the most information possible, contact the college for an appointment.
- C. Students are responsible for all work missed. College visits by seniors should be scheduled before April 15 or end of Easter vacation, whichever comes last.

INCLEMENT WEATHER DAYS

When the weather necessitates a change in the school day, you will be informed through the local media and FACTS. There are three possible scenarios:

- A. Canceling school entirely based on current or predicted weather
- B. Letting out early based on current or predicted weather
- C. Delaying the start of school two hours based on current or predicted weather

Distance Learning protocols may be put into effect.

ACADEMICS

Based on national, state and diocesan standards, the curriculum at Quincy Notre Dame is designed to meet the educational, spiritual, and emotional needs of students. School resources provide for in-depth study in each discipline. Students are counseled in the selection of an overall program as well as in the selection of courses. Details of the curriculum offerings can be found in the Course Catalog.

RELIGIOUS FORMATION

CATHOLIC INSTRUCTION

Quincy Notre Dame Catholic School is deeply committed to helping students see and understand the ways in which faith and reason complement and reinforce one another in the life of the virtuous man or woman. This motivation animates our rigorous academic curriculum and is at the heart of our earnest efforts to shape the character and cultivate the spiritual life of our students. For this reason, Quincy Notre Dame Catholic School provides regular activities and lessons focused on worship and praise of God, spiritual

reflection, catechesis, and service to the wider parish and regional community. The aim of these endeavors is to encourage every student to become his or her noblest and best self.

Each Catholic school in the diocese must provide daily instruction in the Catholic faith for every student. Liturgical celebrations (especially Mass and Reconciliation), in accord with approved liturgical norms, and service opportunities shall be an integral part of the catechetical program, and all students shall participate as appropriate.

CAMPUS MINISTRY

Religious experiences beyond the classroom are integral to QND. These experiences are coordinated by the Administration, the Director of Christian Formation, and the religion teachers. These experiences include, but are not limited to, all school and class masses, prayer services and paraliturgical services, opportunities for reconciliation, speakers, religious counseling, vocation days, Catholic Heart Work Camp, HAFOC (Hands and Feet of Christ) and other community-based service projects, etc. The all-encompassing goal is to prepare our young Catholic men and women to assume roles of service and leadership within the Catholic Church of the twenty-first century.

CHRISTIAN SERVICE

Students attending Quincy Notre Dame are expected to provide ten (10) hours of approved school/non-for-profit organization/community service per year of attendance. Students will be issued a grade and .25 credit at the end of the school year for satisfactory completion of the Christian Service component. 10 hours = A; 9 hours = B; 8 hours = C; 7 hours = D; 6 hours or less = F (no credit). A maximum of four (4) hours for any single organization is permitted per year, a maximum of four (4) hours that are sports, music, pom or cheer related are permitted per year. Completion date for service requirements is two weeks prior to final exams. Organizers of the event are the only authorized signatures that will be accepted on the form.

RETREAT PROGRAM

Religion is not just a formal classroom study of doctrine. It encompasses a person's entire life and relationships. Religious experiences need to extend beyond the classroom. A retreat allows a person to focus upon his/her faith life removed from the scheduled responsibilities of school/work, etc. At QND, a time is set aside for each class to participate in a QND sponsored retreat experience. The goals of this program are to develop in the students an attitude of self-worth, an appreciation for fellow human beings, awareness and understanding of the presence and action of God in their lives, and a sense of responsibility for and participation in the Catholic Church. These goals are achieved through structured experiences providing a blend of formal input, varied prayer forms, personal reflection and individual as well as group sharing. A bonding is created among participants because of the sharing of faith life with classmates.

All QND students are expected to participate in our annual retreat program. Retreats are coordinated by the Director of Christian Formation. Failure to participate in any of the scheduled retreats will result in the need to complete *additional** service hours: six (6) hours for freshmen, sophomores, and juniors; fifteen (15) hours for seniors. Failure to complete these additional service hours will result in a reduction of ten percentage points (example: 85% will become 75%) for Theology class on the student's 2nd semester report card. A fee for each retreat is included in a student's resource bill.

*This additional service hour requirement is separate from any accumulated yearly required Christian service hours.

ACADEMIC REQUIREMENTS AND PROCEDURES

Promotion and retention of students are directly related to earning the required number of credits each year and the ability, in cases of failure of a class or classes, to pass courses through summer school enrollment, approved correspondence courses through a university program or educational enhancement corporation, or addition(s) to the next semester's student schedule of classes.

Academic Probation - For those students who have displayed a serious deficiency in a number of subjects, the counselor may meet with parents and an administrator and construct a formal agreement defining the academic expectations for a specified period of time. Failure to meet the requirements of the contract may mean dismissal from QND.

HOMEWORK

QND believes that homework is an essential part of the educational process. Homework may take the form of additional guided practice or exercises, reading of material on a specified subject, in-depth follow-up of classroom activities, or independent project work related to the subject. Homework serves as an extension of classroom instruction, not as a substitution, and should benefit the students' academic progress and desire for continued learning.

MISSING ASSIGNMENTS DURING EXCUSED/UNEXCUSED ABSENCES

Students should work to complete missing assignments and assessments as diligently as possible when not in class due to an excused absence. It is the student's responsibility to check lesson plans and homework posted in FACTS to get assignments and turn them in as instructed. If extra time is needed due to extenuating circumstances or extended absence, the teacher and the student should

collaborate as to when the assignment is due and if modifications are needed. Assessments should be completed as soon as possible per the teacher's instruction. Any academic work including, but not limited to, homework, quizzes, tests, etc. missed during an unexcused absence may incur an academic penalty.

GRADEBOOK CODES

During the course of the school year, teachers post grades in FACTS. The following codes are used when a grade is not entered:

- M-missing: the missing grade is calculated as a zero
- I-incomplete: the missing grade is calculated as a zero
- A-absent: the missing grade is not calculated as a zero
- E-excused: the missing grade is not calculated as a zero and the work does not need to be completed
- P-pending: the missing grade is not calculated as a zero

If any of these codes appear in a student's gradebook, the student should contact the teacher for clarification. Notes from the teacher may also appear in the gradebook.

STANDARDIZED TESTING

- Incoming 9th Graders: pre-ACT 8/9
- Sophomores: pre-ACT 10
- Juniors: Practice ACT, ACT, PSAT/NMSQT, SAT

VOCATIONAL-TECHNICAL COURSES

- A. Students in Vo-Tech are required to follow the dress code while in school at QND.
- B. QND students who take classes at the Quincy Vocational Technical Center (Vo-Tech) must return to QND by the designated time for classes, and/or study hall.
- C. All students are required to check in upon their arrival to QND. Late returns to QND will be subject to QND's tardy policy.
- D. Students who are enrolled in Vo-Tech classes at QHS are responsible for attending those classes if QND is not in session. If there is a conflict between a QND class and a Vo-Tech class, the student must consult with the Guidance Counselor to resolve the conflict. The Guidance Counselor will then notify QHS officials.

FIELD TRIP AND OFF CAMPUS ACTIVITY

Field trips are a privilege. Students may be denied participation due to lack of academic effort, improper behavior, and/or delinquent tuition. Field trips should be educational or service oriented in nature.

Required of students going on field trips:

- A. Field trip-form signed by parents. (A copy of the Field Trip Permission form can be found on QND's website.)
- B. Students are responsible for all work and tests missed. Students must contact their teachers for any make-up work prior to going on the field trip. As a general rule, work and tests must be turned in ahead of time or at the discretion of the teacher.
- C. Permission, in writing, must be secured from a parent or guardian of students who go on scheduled trips. Information to the parent(s) or guardian will include the date, purpose, destination, expected student behavior and time of return.

Students and accompanying adults attending field trips or other QND sponsored trips shall be informed that participation in such events requires that they adhere to a code of behavior. This code of behavior, which applies to both minors and accompanying adults attending said functions, is as follows:

- A. Each person will respect his/her individual dignity, self-worth and value in God's eyes
- B. Each person will respect the dignity, self-worth and value in God's eyes of other persons
- C. Each person will respect the physical property and possessions of other persons and institutions
- D. Each person has a duty to report violations of the conduct code

PROGRESS REPORTS, REPORT CARDS AND GRADES

- A. Progress reports are sent periodically through email. Each semester average stands on its own merits. If a student fails the semester in a course, he/she does not earn credit for that semester of the course.
- B. Students will receive a report card at the end of each semester with a grade recorded for each course in which a student is enrolled. Grades for dual credit classes through Quincy University and John Wood community College are communicated on a semester basis. Midway through first semester, parent-teacher conferences will be scheduled.

C-	70-72	1.60
D+	68-69	1.40
D	65-67	1.00
F	Below 65	0.00

P = Passing
 W = Withdrawn
 WP= Withdrawn Passing
 WF = Withdrawn Failing

F = An F appears on the transcript and also becomes part of the cumulative average of the student.

I = Incomplete If a student, because of illness or other extenuating circumstance (as determined by the Administration), does not complete a portion of a course in the time given, the student will have a period of time (TBD) to make up the work. After this time, the grade may be recorded as an F.

Twenty percent of each semester grade is the result of the semester exam. The grade marked on the report card is a letter grade.

HONOR ROLL

An Honor Roll is published after each semester. Students must have a 4.0 average for the "A Honor Roll". To be eligible for the "B Honor Roll" students may have no D's or F's and must have an average of 3.0. An incomplete grade in any subject(s) would disqualify the student for that Honor Roll. Seniors need grades in at least 5 credits, others in 6 credits.

If a student is taking a college course to count toward High School graduation, the grade for this course shall be calculated for GPA and Honor Roll purposes.

WEIGHTED GRADES

For any grade weighted and advance placement course a student takes he/she will receive a weighted grade (see table below) for that course. The weighted grade appears on the transcript and is part of the cumulative average used for ranking. Refer to Course Catalog for weighted courses. Weighted grades will determine class rank.

Cum laude is Latin for 'with high honors' or 'with high praise'. This system of honors recognizes students with a GPA of 3.6+ with no failing semester grades or incompletes. Cum laude recognition is based on a student's seventh semester GPA.

VALEDICTORIAN

Valedictorian and salutatorian status will be based on weighted grades. Transfer students from an accredited school may be eligible for valedictorian or salutatorian status.

GRADUATION REQUIREMENTS

A total of 25 credits will be required to graduate. Specific course requirements are listed in the Course Catalog. Underclassmen usually carry 6.5 credits. All seniors must carry a sufficient number of semester hours to fulfill all course and/or credit requirements for graduation with a minimum of 6 credits.

At the beginning of the senior year, each senior who is at risk and his or her parent/guardian will receive a listing of graduation requirements which must be completed by the end of the senior year in order for the student to be eligible for graduation. Students failing any course required for graduation or semester will meet with their guidance counselor as necessary and set forth in the school policies.

FINAL SEMESTER FOR SENIORS

- A. Any senior who does not complete course work required for graduation by the given deadline will not receive a diploma until work is satisfactorily completed. If the academic deficiencies are so numerous that the student is not able to complete the required work prior to the date of graduation, the student will not be allowed to participate in graduation related activities.
- B. A student will not receive a diploma if tuition and fees are not paid in full.
- C. A student will not participate in graduation related activities or receive a diploma until all disciplinary actions are completed.

WITHDRAWAL FROM COURSES

To meet graduation requirements ninth, tenth, and eleventh grade students must be enrolled in courses earning 6.5 credits; and twelfth graders in courses earning at least 6 credits. Withdrawal from a course implies that the student is responsible for replacing that credit.

 1. Teachers may initiate withdrawal proceedings if the teacher feels that the student will be unable to complete the requirements for the course;
 2. Students may initiate withdrawal proceedings with parental approval if they have legitimate reasons for the change (change in future goals; course is too difficult, etc.)
- B. Procedure for Adding and Dropping Classes
 1. Students wishing to delete or add a course must meet with the counselor to discuss the change desired. Course changes are to be completed during the first two weeks of each semester.
 2. The Schedule Add/Drop Form will be completed by the counselor and must be approved by involved teachers and parents.
 3. Final change approval does not take place until all forms are returned completed. A Class Admission Slip will then be issued for new classes added.
- C. Withdrawing from a Course In-Session: Any withdrawal after the first two weeks of a course is indicated on progress reports and on the permanent records as:
- D. WP - withdraw/passing, if the student has worked to capacity and is meeting class requirements. This grade appears on a student's transcript, but does not become part of the cumulative average.
- E. WF - withdraw/failing, if the student has failed to meet the course requirements. This grade appears on a student's transcript but does not become part of the cumulative average.
- F. Timeline for Withdrawal and Effects on Transcript Weeks 1 – 2: Withdrawal for any reasons with no record on transcript. Weeks 3 – 5: Withdrawal with a "WP" or "WF" with no effect on GPA. Week 6 to end: Any student withdrawing during this time slot will receive for that semester an "F" which will appear on the transcript.

Requests from Military or Institutions of Higher Learning: Upon their request, military recruiters and institutions of higher learning may be given access to students' names, addresses and telephone numbers. Parents who do not want their child's name to be released (or students over the age of 18 who do not want their names released) should contact the guidance department.

Students at Quincy Notre Dame are to maintain academic integrity at all times. As it relates to student work, each student's work is required to be authentic and not a reproduction of work or ideas belonging to another. This includes, but is not limited to:

- A. **Plagiarism:** taking credit for another person's work as your own, or using another's ideas without citation
- B. **Duplication:** copying all or part of another person's work and presenting it as your own, or submitting a copy of another's work as your own

Any work assigned during an OSS will be counted at 75% of the credit earned.

ETHICAL AND RESPONSIBLE USE OF GENERATIVE AI TOOLS

"Artificial intelligence" or "AI" is intelligence demonstrated by computers, as opposed to human intelligence. "Intelligence" encompasses the ability to learn, reason, generalize, and infer meaning. Examples of AI technology include ChatGPT and other chatbots and large language models.

Using generative AI is not a substitute for schoolwork that requires original thought. Students may not claim AI generated content as their own work. In certain situations, AI may be used as a learning tool or a study aid. Students who wish to use generative AI for legitimate educational purposes must have permission from a teacher or an administrator to do so. Students may not use generative AI, including AI image or voice generator technology, to violate school rules or policies. To ensure academic integrity, student work may be checked by AI content detectors and/or plagiarism recognition software.

Possible consequences for violations of academic honesty may include:

- A. Parent/guardian notification
- B. A failing grade on the assignment or assessment
- C. Alternate assignment or assessment

DANCE POLICIES

QND students and their guests will be admitted to dances. Only what is deemed appropriate dancing will be allowed at all QND school dances. If a student continues to dance inappropriately after being warned, the student may be asked to leave. Also, students and/or guests may be removed from the dance for disorderly conduct, fighting, refusal to comply with the requests of the faculty moderator, chaperone or policeman; and/or for possession of or being under the influence of alcohol or drugs. Once a student leaves a dance, he or she may not return to that dance. If an emergency exists, the student must check out with the faculty moderator before leaving the dance and upon returning to the dance. QND is not responsible for any article lost while the owner is attending a dance.

Quincy Notre Dame's administration will enter into all signed contracts with individuals to provide music for school dances. This contract stipulates that only band members or music machine operators (as stated in the contract) will be in the band area and that there will be no alcoholic beverages or drugs on the premises. The band or music machine operator(s) must obey school official requests for appropriate songs, language, and lyrics.

All dances will be supervised by QND staff members and parent chaperones.

SMOKING, DRINKING OR USE OF ILLEGAL DRUGS

No student shall have possession of drug paraphernalia and/or drugs, or be using, or be under the influence of drugs (unless prescribed by a physician), marijuana, tobacco products including electronic cigarettes, vaping devices or alcoholic beverages. This applies to every situation, with the exception of an alcoholic beverage being served at religious functions, e.g. consecrated wine at Communion.

THEFT

Students who steal or who possess, sell or try to sell stolen material may be suspended and may be recommended for expulsion. If appropriate, law enforcement may be involved.

This would include look-alike drugs and drug paraphernalia. Nor will QND condone any activity that is illegal, immoral, or unethical. The consequences for such activities are contained in this Handbook and emphasized and augmented by school announcements and bulletins. Action for Misconduct Out of School or at Non-School Activities - QND reserves the right to take disciplinary action when the conduct by any student, out of school or non-school related, brings disfavor upon himself/herself and/or the school. QND likewise reserves the right to take disciplinary action when a student's conduct is a serious violation of the teachings of the Catholic Church. Students will be held accountable for intentional harm they cause others. All such cases will be handled by the Dean of Students/administration who will notify the parents as well as the student.

Any QND student who becomes involved with the police in connection with a violation of State liquor laws, or Federal or State narcotics' statutes may be taken before the administration. Also included is any serious involvement with police (example - felony conviction). This does not include minor traffic citations. It is the belief of QND that rehabilitation and treatment may be necessary for students involved with the abuse of drugs and alcohol. The school administration does have the prerogative to insist upon treatment for readmission to and continued attendance at school.

BULLYING, HARASSMENT, INTIMIDATION, SEXUAL HARASSMENT AND DATING VIOLENCE POLICY

The Board of Directors of QND firmly resolves to provide for all employees, faculty, administrators, volunteers and students (all collectively referred to sometimes hereinafter as "individuals") an environment free from sexual harassment as defined hereinafter. This policy applies to all employees, faculty, administrators, volunteers and students; and clearly prohibits all forms of sexual harassment as well as establishes a mechanism to identify, investigate and remedy harassment situations.

- A. Sexual harassment of any individual, as defined hereinabove, by anyone is strictly prohibited.
- B. Sexual harassment is defined as any unwelcome sexual advance or request for sexual favors or any conduct of a sexual nature when:
 - 1. submission to such conduct is either expressed or suggested.

For purposes of this policy, the term *teen dating violence* occurs whenever a student who is 13-19 years of age uses or threatens to use physical, mental, or emotional abuse to control an individual in the dating relationship; or uses or threatens to use sexual violence in the dating relationship.

PROCESS

- A. Any individual who believes that he/she is the victim of sexual harassment/dating violence is encouraged to discuss the matter with the Principal, Dean of Students/Athletic Director, the Academic Dean and the President of the Board of Directors of Q.N.D., or any member of said Board.
- B. Once an allegation has been lodged claiming sexual harassment/dating violence, the Principal and the President of the Board of Directors must be notified in writing of the allegation within 48 hours of the allegation being made. However, failure to notify within 48 hours does not prevent an investigation. The purpose behind the 48-hour notification is to place the administration and the Board on notice of the problem and facilitate a quick and fair disposition. The notice shall specify the following:
 - 1. Date of allegation.
 - 2. Identity of the complainant.
 - 3. Identity of all parties involved including purported victim as well as purported respondent.
 - 4. A brief summary of the allegation.

The complainant, parties involved, including the respondent, must be given reasonable access to information that would facilitate the fact-finding nature of the review. Rights of privacy and due process must be afforded to all parties, and no presumption of responsibility should attach to anyone by virtue of the making an allegation being reviewed. The review shall be non-adversary in nature and principally calculated to remedy the situation. Violation of the POLICY may result in discipline of the respondent, including termination of employment and/or expulsion for a student. In the case of termination and/or expulsion, the respondent shall have procedural rights as set forth in either the Employee Handbook or the Student & Parent Handbook which pertain to termination and/or expulsion.
- D. Other forms of harassment. In cases of harassment or intimidation, the underlying problem is a failure to respect the dignity of a fellow human being. Bullying is a type of harassment that involves some sort of force, whether overt or subtle. Verbal harassment involves derogatory comments, jokes, or slurs about a person's gender, gender identity, race, religion, ethnic origin, physical characters, or family. Physical harassment involves unwanted physical contact, assault, deliberate impeding or blocking movements, and any intimidating interference with normal activity or movement. Visual harassment involves derogatory, demeaning, or inflammatory material, such as posters, cartoons, writing, artwork, and gestures. In all such cases, the administration will take the proper disciplinary actions to correct such behavior.
- E. "Bullying," including "cyberbullying," as any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:
1. Placing the student or students in reasonable fear of harm to the student's or students' person or property
 2. Causing a substantially detrimental effect on the student's or students' physical or mental health
 3. Substantially interfering with the student's or students' academic performance
 4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school

Bullying may take various forms, including but not limited to: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying.

Students are to report bullying promptly, including but not limited to, identifying and providing the school e-mail address (if applicable) and school telephone number for the staff person or persons responsible for receiving such reports and a procedure for anonymous reporting. Reprisal or retaliation against any person who reports an act of bullying and the consequences and appropriate remedial actions for a person who engages in reprisal or retaliation is prohibited.

Consistent with federal and state laws and rules governing student privacy rights includes procedures or promptly informing parents or guardians of all students involved in the alleged incident of bullying and discussing, as appropriate, the availability of social work services, counseling, school psychological services, other interventions, and restorative measures.

FAITH'S LAW NOTIFICATION

Schools are required to include in their student handbook the school's Employee Code of Professional Conduct. These standards, in part, define appropriate conduct between school employees and students. A copy of these standards can be requested from the school administration.

MANDATED REPORTERS

All school personnel, including teachers and administrators, are required by law to immediately report any and all suspected cases of child abuse or neglect to the Illinois Department of Children and Family Services.

SEX OFFENDER NOTIFICATION LAW

State law prohibits a convicted child sex offender from being present on school property when children under the age of 18 are present, except for in the following circumstances as they relate to the individual's child(ren):

- A. To attend a conference at the school with school personnel to discuss the progress of their child.
- B. To participate in a conference in which evaluation and placement decisions may be made with respect to their child's special education services.
- C. To attend conferences to discuss issues concerning their child such as retention or promotion.

In all other cases, convicted child sex offenders are prohibited from being present on school property unless they obtain written permission from the school administration or pastor. Anytime that a convicted child sex offender is present on school property – including the three reasons above – he or she is responsible for notifying the principal's office upon arrival on school property and upon departure from school property. It is the responsibility of the convicted child sex offender to remain under the direct supervision of a school official at all times he or she is in the presence or vicinity of children. A violation of this law is a Class 4 felony.

WARNING SIGNS OF CHILD SEXUAL ABUSE AND RESOURCES

The Illinois State Board of Education (ISBE) maintains a resource guide on sexual abuse response and prevention, information about sex offenders, and warning signs of sexual abuse. Please refer to the Appendix at the end of this handbook for more information and resources.

POLICE QUESTION AND APPREHENSION

When students become involved with law enforcement officers, the officer is to be requested to confer with the student when he/she is not under the jurisdiction of the school if this can be arranged.

- A. In any attempt to contact a student at QND, upon arrival at the QND campus the officer shall immediately make contact with the Principal or his/her designee and identify him/herself.
- B. Except as a last resort, and with approval of a police supervisor, QND students are not to be contacted or interviewed at the school regarding incidents that occurred off campus and/or do not relate to the school.
- C. In giving such approval, police supervisors shall ensure that all other reasonable attempts to make contact with the student away from the school have been attempted without success.
- D. A parent or guardian shall be notified immediately and informed of the intent of the law enforcement authorities.
- E. A Student's parent or guardian has a right to be present if the conference is held at school.
- F. If the student's parent or guardian cannot be located, authorities are not to confer with the student unless they produce a warrant or the matter is of a serious nature and demands immediate attention. Examples include—but are not limited to—when a delay in locating/contacting the student may result in flight of the student, loss of evidence, the commission of further serious offenses or would in some way jeopardize the safety of any person.
- G. If there is a warrant or if it is impossible for the parent or guardian to be present and they request it, a school administrator should be a witness to the conference held at school.

CONFLICT RESOLUTION, APPEAL PROCESSES, AND STUDENT GRIEVANCE PROCEDURES

QND has a chain-of-command procedure to resolve any conflicts. If there is a conflict involving a student and a teacher, the student should:

- A. First discuss the issue with the instructor
- B. The student should contact his or her school counselor if that meeting does not eliminate the problem
- C. If not resolved the administration should be informed
- D. The final level of communication is the Board of Directors

Any problems related to extracurricular areas should mirror the procedure above. The student should first discuss the problem with the coach/moderator. If the conflict continues, the student may contact the QND Athletic Director. From that point the student may contact the administration, first, and then the Board of Directors.

All appeal processes and student grievance procedures are based on the concept of fairness. Final decisions on all matters are made by the administration and/or the Board of Directors. Any appeals must be made to the administration within three school days of the school's action.

CORPORAL PUNISHMENT

Corporal punishment is illegal and will not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

ISOLATION AND PHYSICAL RESTRAINT

Isolation and physical restraint shall only be used if the student's behavior presents an imminent danger of serious physical harm to the student or others and other less restrictive and intrusive measures were tried and proven ineffective in stopping it. QND may not use isolation and physical restraint as discipline or punishment, convenience for staff, retaliation, a substitute for appropriate educational or behavioral support, a routine safety matter, or to prevent property damage in the absence of imminent danger of serious physical harm to the student or others. The use of prone restraint is prohibited.

PARENT/TEACHER COMMUNICATION

Parent/Teacher: Parents are encouraged to communicate with teachers about their child's education at QND using a variety of methods including, but not limited to, phone calls, email and scheduled conference.

Teacher/Parent: Teachers will communicate with parents using a variety of methods including, but not limited to, phone calls, email and scheduled conferences.

Parents, guardians, and teachers may contact members of the Administrative Team at any time through the communication devices listed above.

Visits to Classrooms: Parents/Guardians must contact an administrator concerning a visit to any classroom during the school day.

SCHOOL VISITATION RIGHTS

The School Visitation Rights Act permits employed parents or guardians, who are unable to meet with educators because of a work conflict, the right to time off from work under certain conditions to attend necessary school functions such as parent-teacher conferences, academic meetings, and behavioral meetings. Letters verifying participation in this program are available from the school office upon request.

STUDENT RECORDS

Names and addresses of students and their parents/guardian and other information in school records are confidential data in the sense that they are not to be released to unauthorized persons, e.g., business firms, insurance companies, fund-raising organizations, photographers, etc. The parent/guardian has the right of access to the student's school record. Parent/guardian who wishes to view his or her child's records is required to provide a one-day advance notice request for record review. The request must be granted within a reasonable time and not more than 10 days after the request is received.

In the event that QND closes as a secondary school, all records would transfer to one of the Quincy Catholic grade schools/parishes for permanent retention. There shall not be release of personally identifiable school records without the prior written consent of the parent/guardian, except in the following cases:

- A. to other school officials, including teachers and counselors within the school or school system who have a legitimate interest
- B. to officials of other schools in which the student intends to enroll, provided that the parents/guardian are notified of the release of the records, are provided a copy of the record if they desire it, and are given an opportunity to challenge the record if necessary
- C. to federal auditors who are auditing a performance of federally funded programs
- D. a court order

Records can be released to the FBI, government officials, juvenile officers, lawyers, and police with the written permission of the parents/guardians or a court order. Official school records do not have to be released until all fees and other obligations are satisfied. Information, sufficient to ensure adequate placement of a student, is to be released within ten (10) days of a transfer to another school. QND abides by the provisions of the Buckley Amendment with the respect to the rights of non-custodial parents. In the absence of a court order to the contrary, QND will provide the non-custodial parent with the access to the academic records and to other school-related information regarding the student. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

FLAGGING RECORDS OF MISSING CHILDREN

Upon notification from a law enforcement agency that a present or past student is missing, his or her records will be flagged with a written notice of the information. That flag will remain until the law enforcement agency has contacted the school that the missing child has been recovered. If a request for the student's records is made before the flag has been removed, the school will immediately notify the law enforcement agency and will hold the records until their release has been approved by the law enforcement authority. For written requests, the school will provide the law enforcement agency with a copy of the request. If the request is made in person, the school will ask for identification from the person making the request, including contact information and a copy of a driver's license, as well as the birth date of the child and their relationship. He or she will then be informed that a copy of the records will be mailed. The school will provide the law enforcement agency with the obtained information, as well as a description of any individual making the request in person.

In the event that any person fails to comply with such a request, the faculty or staff member shall inform the principal who shall determine what additional action is necessary or appropriate to obtain compliance with the request. Any person who fails to comply with a request of the principal or the pastor to leave the school premises shall be considered a trespasser and may be subject to arrest.

LOCKERS

- A. Student's school locker is the property of QND and must be used for the purposes intended; that of a storage area for books, school supplies, and garments. Students should be advised that lockers may be searched by school officials at any time, with or without the students' knowledge and consent. - B. Each student is assigned one or two lockers. It is the student's responsibility to see that the lockers are kept locked by an internal locking system. Students should not share lock combinations with other students, nor should they preset locks or fail to secure the lock tightly. The responsibility for protecting books, clothing, and other personal possessions rests on each student and adherence to the lock system.
- C. Students may go to lockers before or after school and during the exchange periods between classes. Students should refrain from going to their lockers during their lunch period.
- D. Students are required to maintain their lockers in excellent shape. Trash should not be kept in lockers. They should report any damages or mechanical problems to an administrator. Lockers are checked at the end of the year and if damage is found, students will be assessed a fee.

STUDENT SEARCHES

School authorities may search a student and/or the student's personal effects in the student's possession (such as purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the QND's student rules and policies. The search will be conducted in a manner that is reasonably related to its objective of the search and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

SEIZURE OF PROPERTY

If a search produces evidence that the student has violated or is violating either the law or the school's policies or rules, evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, evidence may be transferred to law enforcement authorities.

VIDEO AND AUDIO MONITORING SYSTEMS

A video and/or audio monitoring system may be in use on school buses and a video monitoring system may be in use in public area of the school building. These systems have been put in place to protect students, staff, visitors, and school property. If a discipline problem is recorded, it may be used as the basis for imposing student discipline. If criminal actions are recorded, a copy of the recording may be provided to law enforcement personnel.

TECHNOLOGY VENDORS: ANNUAL NOTICE TO PARENTS ABOUT EDUCATIONAL TECHNOLOGY VENDORS UNDER THE STUDENT ONLINE PERSONAL PROTECTION ACT

Schools throughout the State of Illinois contract with different educational technology vendors for beneficial K-12 purposes such as providing personalized learning and innovative educational technologies and increasing efficiency in school operations. Under Illinois' Student Online Personal Protection Act, or SOPPA (105 ILCS 85/), educational technology vendors and other entities that operate internet websites, online services, online applications, or mobile applications that are designed, marketed, and primarily used for K-12 school purposes are referred to in SOPPA as *operators*. SOPPA is intended to ensure that student data collected by operators is protected, and it requires those vendors, as well as schools and the Illinois State Board of Education, to take a number of actions to protect online student data.

Depending upon the particular educational technology being used, our school may need to collect different types of student data, which is then shared with educational technology vendors through their online sites, services, and/or applications. Under SOPPA, educational technology vendors are prohibited from selling or renting a student's information or from engaging in targeted advertising using a student's information. Such vendors may only disclose student data for K-12 school purposes and other limited purposes permitted under the law.

In general terms, the types of student data that may be collected and shared include personally identifiable information (PII) about students or information that can be linked to PII about students, such as:

- A. Basic identifying information, including student or parent or guardian name and student or parent or guardian contact information, username/password, student ID number
- B. Demographic information
- C. Enrollment information
- D. Assessment data, grades, and transcripts
- E. Attendance and class schedule
- F. Academic or extracurricular activities
- G. Special indicators (e.g., disability information, English language learner, free or reduced meals, or homeless or foster care status)
- H. Conduct and behavioral data
- I. Health information
- J. Food purchases
- K. Transportation information
- L. In-application performance data
- M. Student-generated work
- N. Online communications
- O. Application metadata and application use statistics
- P. Permanent and temporary school student record information

Operators may collect and use student data only for K-12 purposes, which are purposes that aid in the administration of school activities, such as:

- A. Instruction in the classroom or at home (including remote learning)
- B. Administrative activities
- C. Collaboration between students, school personnel, and/or parents or guardians
- D. Other activities that are for the use and benefit of QND

HEALTH AND SAFETY

REQUIRED EXAMINATIONS AND SCREENINGS

Any student entering an Illinois school for the first time will be required to have an eye exam. Vision and Hearing Screenings are conducted each school year by the Adams County Health Department Certified Technicians. Grades tested are Pre-K, Kindergarten, 1st, 2nd, 3rd, 5th, 8th, and special education students from all grades. Referrals from teachers and parents in grades not normally screened are tested as well. Children who wear glasses or children who are under care of an eye doctor are the only students that are not tested. Vision and hearing screenings are not diagnostic tests, but are done to identify children who may have a vision or a hearing problem. Those children are then referred to the appropriate doctor.

All 9th grade students are required to have a school physical and dental exam. All students entering 12th grade are required to have a meningitis vaccine. Those students not current with these requirements by October 15 of the current school year will be unable to attend school until these requirements are met.

EXEMPTIONS

A student will be exempted from the above requirements for:

- A. Medical grounds: If the student's parent or guardian presents to the building principal a signed statement explaining the objection;
- B. Religious grounds: If the student's parent or guardian presents to the building principal a completed Certificate of Religious Exemption;
- C. Health examination or immunization requirements on medical grounds if a physician provides written verification;
- D. Eye examination requirement if the student's parent or guardian shows an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a lack of access to a dentist;
- E. Dental examination requirement if the student's parent or guardian shows an undue burden or a lack of access to a dentist.

MEDICATION

The purpose of administering medication in school is to help each student maintain an optimal state of health to enhance his/her education. The administration of medication to students should be discouraged unless absolutely necessary for the student's health. A health care plan shall be developed for any student who requires a long-term medication to be administered in school. Parents will be required to fill out a form, available from administration, to permit a student to self-administer asthma medication or epinephrine auto-injector prescribed by the student's physician. Because of their "in loco parentis" status as set forth in 105 ILCS 5/24-24, school employees are afforded liability protection from negligence in the administration of medication and treatment in a school setting. No internal medicine, other than what is approved through the administration, will be given to any student. This includes pain relievers. The school and school personnel incur no liability for injuries occurring when administering asthma medication, an epinephrine auto-injector, glucagon, or an opioid antagonist.

ANAPHYLAXIS PREVENTION

While it is not possible for QND to completely eliminate the risks of an anaphylactic emergency, QND maintains comprehensive policies and procedures on anaphylaxis prevention, response, and management in order to reduce these risks and to provide accommodations and proper treatment for anaphylactic reactions. Parent(s) and guardian(s) and students who desire more information may contact the school.

ADMINISTRATION OF MEDICAL CANNABIS-INFUSED PRODUCT

Quincy Notre Dame has established a procedure for fulfilling its responsibility under Ashley's Law (105ILCS 5/22-33) and the Compassionate Use of Medical Cannabis Program Act (410 ILCS 130/1) as advised by the Illinois State Board of Education for a student (as a registered qualifying patient) requiring a medical cannabis infused product during school.

A student requiring the administration of a medical cannabis infused product during the school day or at a school-sponsored activity, must:

- A. Be a “registered qualifying patient” under the Compassionate Use of Medical Cannabis Program Act (410 ILCS 130/1) with a valid registry identification card issued by the Illinois Department of Public Health
- B. Have on file at school prior to such administration of the medical cannabis infused product, written authorization in the form of the Request/Permission to Administer Medical Cannabis Infused Product in School completed by and signed by their medical provider and parent/guardian, AND a copy of the student’s valid registry identification card (as a registered designated caregiver) issued by the Illinois Department of Public Health
- C. Parent/guardian will be permitted to provide, administer/supervise medical cannabis infused product under direct supervision of a school administrator or designated school representative.
- D. Medical cannabis infused product cannot be stored on school grounds.

The Request/Permission to Administer Medical Cannabis Infused Product in School authorization form is effective/valid for the school year in which it was granted and must be renewed at the beginning of each school year.

MATERNITY/PATERNITY

QND affirms the moral teachings of the Roman Catholic Church including the teaching of the holiness and gift of life. QND takes a pro-life stance and upholds the sacredness of God’s life in all of us, beginning at conception. When a student becomes pregnant, QND does not arbitrarily dismiss that student from school.

A student in this situation, or the family of this student, should inform the school. Meetings will be scheduled with the student(s), parents, school’s administration, and possibly the counselor. Regular classroom attendance will be based on the health, safety, and well-being of the student and the child as well as the best interests of the school community. In such a situation, involvement in extracurricular activities will be decided by the Administration of QND.

ILLNESS/INJURIES

If a student becomes ill during the school day, he or she is to report to the Attendance Secretary or the Main Office. A parent/guardian will be contacted. If the student is too ill to remain in school, he/she will be sent home.

Any student who is injured during the school day while on school property should report such injury to the Attendance Secretary as soon as possible. All bills related to the injury are the responsibility of the family through its own insurance coverage or school insurance, if it has been purchased by a parent. It is mandatory that the student have school or private insurance.

Injuries sustained while participating in athletics either at practice or in competition should be reported immediately to the coach of the team. In case of injury, no student is to leave the campus without first checking out through the office or through the coach. Should an injury be discovered after the participant has returned home, he/she should go to the doctor and report the injury as stated above.

If any illness/injury is deemed serious, an ambulance will be called and parents/guardians will be contacted. A log is kept in the office which includes names, dates, circumstances of injury and action taken. The faculty/staff person apprised of the accident is responsible for giving this information to the secretaries using the form found in the main office.

Insurance - Student insurance is offered during the first week of school. The necessary forms are provided by QND. This program is voluntary. All athletes and members of Pom Pon and Cheerleading squads must have school insurance or proof of family insurance. See Certification of Medical Insurance and Indemnity Agreement.

AIDS

Students with AIDS who are enrolled or who are seeking enrollment shall be permitted to attend QND. Students who are known to have AIDS will be individually evaluated by the administration, physician, and other professional personnel in order to determine if their behavior or physical condition poses a high risk or spread of the disease. One of the purposes of the evaluation is to prepare a specific plan for the education and care of the student.

QND will respect the right of privacy of the individual. Knowledge that a student has AIDS will be confined to those persons with a direct need to know. Those persons will be provided with appropriate information as well as procedures and precautions that may be necessary. Those persons will also be made aware of confidentiality requirements.

COMMUNICABLE DISEASES

The Principal shall notify the Department of Public Health when a student is sent home because of suspected communicable disease. In case of absence due to communicable disease, a release card from the Department of Public Health or a letter from the family physician indicating that the Department of Public Health regulations have been fulfilled must be presented when the student returns to school.

DIABETES CARE FOR STUDENTS

If your child has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan must be submitted to the principal. Parents or guardians are responsible for and must:

- A. Inform QND in a timely manner of any change which needs to be made to the Diabetes Care Plan on file with QND for their child.
- B. Inform QND in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.
- C. Sign the Diabetes Care Plan.
- D. Grant consent for and authorize designated School representatives to communicate directly with the health care provided whose instructions are included in the Diabetes Care Plan.

TOXIC ART SUPPLIES AND REQUIRED EYE PROTECTION

Art supplies containing toxic substances are not used in grades 7 through 12 unless the materials are properly labeled according to statute. Students, teachers, and visitors are required to wear industrial quality eye care protective devices when participating in or observing chemical or combined chemical-physical laboratories involving caustic or explosive chemicals or hot liquids or solids, or other procedures that could cause injury to the eyes.

ASBESTOS MANAGEMENT POLICY

In accordance with the Asbestos Hazard Emergency Response Act (AHERA) and the Board of Education of the District, this notification has the intent to inform workers, building occupants and their legal guardians of activities related to asbestos containing building materials in the school. Copies of the inspection reports and the management plans are available for inspection during normal office hours at QND. Periodic surveillance is conducted at least every 6 months as long as asbestos materials remain in the building. QND will continue its efforts to maintain all asbestos containing materials remaining in an intact state and undamaged condition. School maintenance and custodial personnel have received the required asbestos awareness training.

CRISIS PLAN

EMERGENCY SITUATIONS – CODE RED, EARTHQUAKE, FIRE, TORNADO SAFETY PROCEDURES:

Directions for each evacuation/safety procedure is posted in the classrooms. All procedures are practiced with staff and students annually.

TORNADO OR SEVERE WEATHER: NO ADVANCE WARNING

Students and staff should move away from open doorways and windows and take a protected position. Faculty members and staff will direct students in their care to designated areas of safety. Silence should be maintained so that vocal directions can be heard.

TORNADO OR SEVERE WEATHER: ADVANCED WARNING

After hearing the announcement over the PA regarding severe weather, students will be directed to the most structurally sound areas of the building where they will remain until it is safe to return to class.

EARTHQUAKE PROCEDURES

Inside, teachers will instruct students to duck under their desks and cover their heads with their arms and hands. All students and staff who have moved to shelter or safe areas in the building in response to severe weather, should kneel down against the wall and cover their head with their arms and hands. Teachers will instruct all gym students and students outside the building to drop to the ground, place their heads between their knees and cover their head and eyes with their arms and hands. Instruct everyone to move away from windows. Teachers should account for their students and report any student missing to the administration. School administrators may order an evacuation if the situation warrants and it is safe to do so.

EXTRACURRICULAR, ATHLETIC, AND SCHOOL RELATED ACTIVITIES

INTRODUCTION

Extracurricular activities do not fall within the scope of the regular curriculum, and carry no academic credit. These activities are a vital part of the total program of a school. Participation in these extracurricular activities is an educational experience for all who participate. Goals for the student activities program support the expressed objectives and general philosophy of QND. The goals of the program are for students to:

- A. develop a sense of personal discipline and pride (of self, of activity, of school);

- B. learn the elements of and benefits of teamwork, cooperation, and group loyalty;
- C. earn a sense of accomplishment through involvement in learning activities outside the formal classroom;
- D. learn skills that will contribute to their ability to be lifelong learners.

STATEMENT OF PURPOSE

The aim of QND is to provide an orderly setting in which the benefits of education are provided for each student in the school. Student conduct that interferes with the work of the school or impinges upon the rights of other students is not allowed. This guide is designed for the purpose of maximizing the educational experience for each student and eliminating student conduct which is not conducive to that goal.

PHILOSOPHY

QND believes extracurricular activities are a vital part of the total program of a school. We believe that participation in these extracurricular activities is an educational experience and should be offered for all youths who attend QND. Therefore, the behavior of students involved in extracurricular activities on and off the school properties is very important. Participants in all extracurricular activities must maintain standards which cause all students and parents to be proud of their representatives.

The four years in which each student represents his/her high school in interscholastic and intramural extracurricular competition and those activities conducted under the auspices of the Illinois High School Association (IHSA) may be four of the most enjoyable years in his/her young life. As students compete, the school has local rules and regulations each must follow in order that extracurricular participation and competition is a profitable educational experience. The IHSA also has rules and regulations incorporated into the Association's constitution and By-laws to which students, as well as school personnel and fans, must adhere.

The Principal of the school is responsible to certify the eligibility of all students representing the school in any interscholastic events. Any question concerning eligibility must be answered by the Principal, who has available a complete copy of all IHSA eligibility rules. This copy includes the Association's due process procedure.

Extracurricular activities at QND are voluntary. Any and all students are encouraged to participate in any activity in which they are interested. Because of various requirements, some activities can only accommodate a specific number of participants. Such members may be determined by IHSA, nature of the activity, equipment available, and/or the judgment of the moderator or administration. In such instances as tryouts will be held for the number of positions available. Therefore, some students may not be chosen to participate in that particular activity.

One goal of the QND is to build success in each activity, but we also try to instill in the students a sense of personal discipline and pride. We must learn to have pride not only in ourselves, but in our activity and in our school. We attempt to build team spirit and club or organization spirit that encourages effort, self-sacrifice, dedication, preparation, and self-discipline for the good of the activity. Learning to work hard is perhaps the outstanding feature of the educational components. In extracurricular activities, the development of young people so they will become successful, productive, and positive adults is an outstanding feature.

We also believe that those students who are participating in extracurricular activities are not only representing themselves, but our high school and community as well. Therefore, QND students must present a good image by appearance and behavior. Each coach or moderator should discuss with his/her participants (on the first day that extracurricular activity begins) the rules and regulations and any other requirements of the organization.

HOUSE SYSTEM

Quincy Notre Dame has adopted the House System beginning with the 2021-22 school year to build closer community relationships within the school. This student-based leadership program has two student House Captains that help guide 32 student House Leaders. Each House is comprised of two House Leaders, approximately 25 students in grades 9 through 12, as well as an adult mentor. Students are placed in a House when they arrive at QND and stay in that House until they graduate.

Ultimately, we believe the House System will build a stronger school community across all grade levels, foster leadership skills, expand mentorship, and focus on team building opportunities, and encourage positive peer pressure, healthy competition and contribute to increased school spirit. During House time, activities are led by two student leaders focusing on team building, faith formation and other group activities.

 4. A student arriving at school late because of illness must be checked in by 10:15 a.m. in order to be eligible to participate that day. Doctor appointments, funerals, and similar circumstances may allow students to participate if they arrive after 10:15 a.m.

Following morning prayer, students participate in Mass, Stations of the Cross, the Rosary, the Divine Mercy Chaplet, and study of Scripture, depending on the day of the week. They also fast the first whole week of Lent and participate in the Triduum during Holy Week. It is for those wanting to go beyond giving up chocolate for Lent and truly grow in holiness.

For the class of 2026 and beyond, students who have a 3.6 cumulative grade point average after the fifth semester during junior year are eligible for membership. Scholarship alone, however, does not guarantee membership into the organization. Additional criteria for membership include character, leadership, and service. Failure to maintain the standards required for selection and/or failure to complete the service requirements may mean supervision and/or dismissal from the NHS.

Any student who is passionate about the pro-life message is welcome to join.

SOCIETY FOR ACADEMIC ACHIEVEMENT (SAA)

Falling under the Ministries of Community Life, Leadership Development, and Pastoral The QND Campus Ministry Student Leadership Team (SLT) is a select group of upperclassmen wanting to be leaders in faith throughout school. Students are given training in leadership and are encouraged to lead their classmates, schoolmates, teachers, and families to Christ.
